## MINUTES

Present: Board members Mason, Cimini, Galliher; Harald Scheid, RRG

Meeting opened at 3:04.

- Motion made by Galliher, seconded by Cimini to approve minutes of meeting held February 14, 2023. All voted aye.
- Motion made by Galliher, seconded by Cimini to approve commitment of \$2,202.92 for revised and omitted Personal Property taxes to the tax collector for collection. All voted aye.
- Talked about budget for FY24. Both Galliher and Cimini propose assessor salaries should revert to what had been paid before RRG contract was enacted, due to wider scale of duties and more frequent meetings. All agreed to put forward that amount at budget discussion with town officials.
- We discussed possible scenarios for next year with RRG 's Harald Scheid about what is needed and changes that might better serve the town. He noted RRG is moving toward towns hiring their own administrative assistants to provide many tasks as well as to be available more hours for in-person contact with residents to help with concerns and questions.

Meeting adjourned at 6:0pm.

Next meeting: Tuesday, February 28, at 3pm.
