Attendees: Richard Scialabba, Raymond Bolduc, Robert Graves; Clarissa Mitchell

At 6:45 pm, Dick Scialabba called the meeting to order. A motion was made (Scialabba) and seconded (Bolduc) to accept meeting minutes presented for the December 22, 2021, water and sewer commission meeting. All said, aye. The new water and sewer rates will be posted on the website.

Resident **Don Madison** once had a grinder pump on his property. Since he was not using it, the town took it out and put it next to his property. He has been paying user fees ever since. His daughter, **Monica Montferret**, would like a statement from the town that in the future if they decide to do something with the property, the town will put in a new grinder pump. Scialabba made a motion that the town would replace the grinder pump, and Bolduc seconded the motion. All said, Aye.

Dick made a motion to adjourn the meeting. Ray seconded all said Aye. Select Board Meeting immediately followed.

Respectfully submitted,

Richard Scialabba-Chairperson

Raymond Bolduc
